

Meeting 5
Climate Change and Energy Technical Advisory Subcommittee
A Granite State Future

July 16, 2014; 2:30-4:00PM
New Hampshire Division of Historical Resources

Meeting Notes

Attendance

- Kim Goddu, Nashua Regional Planning Commission (*committee staff*)
- Mary Kate Ryan, NH Division of Historical Resources (*committee member*)
- Chris Skoglund, NH DES (*committee chairperson*)

1. Review Meeting Objectives

Kim Goddu reviewed the issues identified in the Statewide Snapshot outline and asked the committee for comment. The committee determined one issue was necessary for climate and one for energy efficiency.

2. Strategies Matrix

Kim Goddu reviewed the strategies matrix document with the committee and explained how it was created, why it is necessary and what the committee was tasked to complete on the strategies matrix.

3. Refinement of Strategies

The Committee refined strategies already recognized in the NH Climate Action Plan. These strategies will be for the issues identified in the Statewide Snapshot.

4. Future meeting dates and time

The committee did not discuss a future meeting date. Future meeting dates will be posted at <http://www.nashuarpc.org/gsf/> once they are determined.

5. Public Comment

No members of the public were present and therefore a public comment period was not held.
